RE: Research on CV 07-00407

September 24, 2007

I was very thankful to be informed of your decision to provide me with some assistance as part of your Post Conviction Task Force.

I feel gratified that one of my meditation students, and Yoga patients, have communicated with you on my behalf. I feel an abundance with this reciprocity. As you have observed, I am not very capable of communicating, but through verbal discourse, since reading and writing in this level is way above my capabilities. All my discussions I hope have been summarized for you in a concise and prevalent manner.

I believe that Ms. C, my meditation teacher, would be very gratified by my handling of this matter, and in my humble acceptance of my errors, which I believe reflects upon my students, in my Meditation and Yoga classes.

I appreciate your interview and attempt to get Declarations, to describe what happened to me, but also to other Defendants, who were conflicted by Ms. Pamela Tower.

As noted, Leslie J. Fernandez (see CV-07-00395-SOM), was caught in the same situation. I understand that you have been attempting to communicate with his counsel, Mr. David Kenner. Please let me know how this develops.
